

Corporate Sponsor Form

March 6, 2010

Our Healthy Spin on Life Fundraiser is a great opportunity for your business to promote health, nutrition, and fitness in Flagstaff. By sponsoring this 8 hour indoor cycling event you are raising awareness of the important role non-profit organizations play in our community as well as the importance of exercise as a part of our daily lives.

100% of proceeds will be donated to Northland Family Help Center.

Your business can send a **team** with enough members to cover at least **5 hours of riding time**. Total target donation for sponsor teams is a minimum of \$1 per minute of riding time (so 5 hours at \$1/min = \$300/sponsor team). To meet the target donation each rider within the team can solicit donations for their own ride time or your business can contribute any portion of the total donation.
